## DEGREES

- **MPH** - 2008. Harvard School of Public Health, Boston MA. Clinical Effectiveness Concentration. GPA 3.7/4.0.
- **MD** - 2000. Case Western Reserve University, Cleveland OH. Robert Wood Johnson Foundation Generalist Physician Initiative Primary Care Track.
- **PhD** (Biomedical Engineering) - 1999. Case Western Reserve University, Cleveland OH. Dissertation: *Clinical Implementation of Electrocardiographic Imaging (ECGI): Design, Development, and Verification of a Person-Specific Electrocardiographic Imaging System.*
- **MS** (Biomedical Engineering) - 1994. Case Western Reserve University, Cleveland OH. Thesis: *Feasibility of and Progress towards Clinical Implementation of Electrocardiographic Imaging.* GPA 3.4/4.0.
- **BSE** (Electrical Engineering and Biomedical Engineering. Science, Technology, and Human Values Program Certificate) - 1991. Duke University, Durham NC. GPA 3.4/4.0, *Cum Laude*. Graduation with Distinction, Senior Project: *Development and Utilization of Image Simulation Programs in Phased Array Ultrasonic Imaging.*

## POSITIONS

- 2015- Professor. Case Western Reserve University. Cleveland OH. Primary appointment in the Department of Internal Medicine. Secondary appointments in the Departments of Pediatrics and Epidemiology and Biostatistics. 20% patient care (17% outpatient/3% inpatient), 30% research, 50% administrative (Vice-President of Health Informatics and Chief Medical Informatics Officer).
- 2014- Vice-President of Health Informatics and Chief Medical Informatics Officer (CMIO) (~45 employees; ~\$5 million annual operating budget). The MetroHealth System. Cleveland OH. Development and implementation of all MetroHealth System patient engagement activities added to scope of activities. All staff reorganized into the Center for Health Informatics and Patient Engagement.
- 2012-2014 Chief Medical Informatics Officer (CMIO) position expanded to include oversight of Clinical Engineering (~40 employees; ~\$4 million annual operating budget). The MetroHealth System. Cleveland OH. Also leading MetroHealth System-wide personal health record, health information exchange, and meaningful use efforts. Training team moved to informatics team. Over \$1 million in external research funding obtained/committed. Over \$50 million in increased revenue/incentives or decreased expenses/penalties through informatics efforts. Lead healthcare system to Healthcare Information and Management Systems Society (HIMSS) Electronic Medical Record Adopt Model (EMRAM) Stage 6 Hospital and Stage 6 Ambulatory recognition. 1<sup>st</sup> safety-net/public healthcare system in the United States to achieve HIMSS EMRAM Stage 6 in both the ambulatory and hospital settings (2013). 1<sup>st</sup> safety-net/public healthcare system in the United States with Epic electronic health record (EHR) (2<sup>nd</sup> with any EHR) to achieve Stage 7 HIMSS ambulatory and hospital EMRAM recognition (2014).
- 2011-2015 Secondary Appointment as Associate Professor in the Department of Epidemiology and Biostatistics. Case Western Reserve University. Cleveland OH.
- 2011-2013 Co-Director – Institute of Health Informatics and Clinical Effectiveness Research. Case Western Reserve University. Cleveland OH.

- 2011-2015 Associate Professor. Case Western Reserve University. Cleveland OH. Departments of Internal Medicine and Pediatrics. 20% patient care (15% outpatient/5% inpatient), 20% research, 60% administrative (Chief Medical Informatics Officer).
- 2011- Founding Director – Center for Clinical Informatics Research and Education (CCIRE). The MetroHealth System. Case Western Reserve University. Cleveland OH. Led in the creation of CCIRE to further clinical informatics research and education efforts in the MetroHealth System, including external funding for research programs and education programs for medical students and resident physician, in addition to a 2-year fellowship program. Over \$1.5 million in external funding through approximately 20 grants.
- 2009- Affiliated Faculty. The Case Center for Reducing Health Disparities. Case Western Reserve University. The MetroHealth System. Cleveland OH. Participate in clinical research activities.
- 2009- Senior Scholar. The Center for Healthcare Research and Policy. Case Western Reserve University. The MetroHealth System. Cleveland OH. Participate in clinical research activities. Head of Clinical Informatics Research Group.
- 2009-2011 Assistant Professor – Internal Medicine and Pediatrics. The MetroHealth System. Departments of Internal Medicine, Pediatrics, and Information Services. Case Western Reserve University. Cleveland OH. 30% patient care (20% outpatient/10% inpatient), 50% administrative (Chief Medical Informatics Officer), 20% teaching and research.
- 2008-2012 Chief Medical Informatics Officer (CMIO). The MetroHealth System. Cleveland OH. As the first CMIO of the MetroHealth System, serve as the lead physician for all medical informatics issues throughout the MetroHealth System, including all issues related to outpatient, inpatient, and emergency department electronic health record systems (Epic). Helped to lead implementation of inpatient electronic health record. Assisted with Information Services redesign. Created, developed, and lead Clinical Informatics (including Nursing Informatics) team within Information Services. Helped coordinate informatics tools for clinical research, and quality and safety assessment and improvement. Served as primary medical informatics contact between the MetroHealth System and Case Western Reserve University's Clinical and Translational Science Award (CTSA). Lean methodology and leadership and management training. Supervise team of 17 clinicians and \$500,000 annual budget.
- 2008-2011 Research Director and Assistant Residency Program Director. Center for Internal Medicine and Pediatrics. Case Western Reserve University. The MetroHealth System. Cleveland OH. Assisted with the overall function of a 24 Med-Peds resident residency program. Coordinated research and other scholarly activity within the Center for Internal Medicine and Pediatrics for residents (24) and faculty (18).
- 2008 Senior Instructor – Internal Medicine and Pediatrics. The MetroHealth System. Departments of Internal Medicine, Pediatrics, and Information Services. Case Western Reserve University. Cleveland OH. 30% patient care (20% outpatient/10% inpatient), 50% administrative, 20% teaching and research.
- 2007-2008 Assistant Residency Program Director – Massachusetts General Med-Peds Program. Assisted in a variety of administrative and mentoring roles with Massachusetts General Hospital Med-Peds residents, focusing especially on resident scholarly activities and professional organization involvement. Coordinated city-wide Med-Peds Journal Club and Harvard Med-Peds Medical Student Interest Group. Helped coordinate Boston-wide resident mentoring initiative.
- 2006-2008 Attending Physician – Internal Medicine and Pediatrics (Med-Peds). Harvard University. Boston MA. Conducted a range of outpatient and inpatient clinical activities at Brigham and Women's

Hospital, Boston Children's Hospital, and Massachusetts General Hospital. Supervised medical students, residents, and fellows in varying capacities through these clinical venues. Taught Patient-Doctor I.

- 2006-2008 Adjunct Physician – Internal Medicine and Pediatrics (Med-Peds). The MetroHealth System. Senior Instructor. Department of Internal Medicine and Pediatrics. Case Western Reserve University. Cleveland OH. As an Adjunct Physician and Senior Instructor, continued to be involved in a number of research project and activities with Case Western Reserve University medical students, Med-Peds residents, and faculty. Advisor to medical students in 4-month research rotation. Also developed and taught Medical Informatics course to all 1<sup>st</sup> year Case Western Reserve University medical school students.
- 2006-2007 Assistant Residency Program Director – Harvard Associated Med-Peds Programs. Assisted in a variety of administrative and mentoring roles with Harvard Med-Peds residents, focusing especially on resident scholarly activities and professional organization involvement. Initiated Boston city-wide Med-Peds Journal Club and Harvard Med-Peds Medical Student Interest Group.
- 2005-2008 National Library of Medicine Medical Informatics Fellow. Center for Information Technology Leadership. Partners Healthcare. Harvard Medical School. Boston MA. On a part-time basis for the first year and then full-time, worked on a variety of medical informatics projects focusing on clinical informatics, specifically telehealth, interoperability, personal health records, clinical decision support and medical education. Course work included Clinical Effectiveness Program. Participated in electronic medical record Physician Users' Group and Information Services Research Council.
- 2005-2006 Scholars Collaboration in Teaching and Learning (Faculty). Case Western Reserve University. Cleveland OH. Selected as 1 of 9 faculty members throughout the School of Medicine to participate in unique small group student-faculty medical education program. Lead group to design medical informatics curriculum for medical school students.
- 2005-2006 Founding Medical Director – Pediatric Nutrition, Exercise, and Wellness (NEW) Lifestyles Program. Department of Pediatrics. Case Western Reserve University. The MetroHealth System. Cleveland OH. Developed and implemented obesity referral clinic for pediatric patients. Designed clinic to optimize and study use of electronic medical records for referral clinics.
- 2005-2006 Assistant Residency Program Director – Internal Medicine and Pediatrics. Department of Internal Medicine and Pediatrics. Case Western Reserve University. The MetroHealth System. Cleveland OH. Assisted with the overall function of a 24 Med-Peds resident residency program. Coordinated research and other scholarly activity within the Internal Medicine and Pediatrics Residency Program.
- 2005-2006 Attending Physician – Internal Medicine and Pediatrics (Med-Peds). Department of Pediatrics. The MetroHealth System. Senior Instructor. Departments of Internal Medicine and Department of Pediatrics. Case Western Reserve University. Cleveland OH. 60% patient care (30% outpatient/30% inpatient), 25% administrative, 15% teaching and research. Taught Physical Diagnosis II, and III (~100 contact hours), Fundamentals of Medical Decision Making (~10 contact hours), and the Science of Clinical Practice (~75 contact hours). Participated in Rotating Approach to Medicine Program (~30 contact hours) and Inpatient Teaching Attending Program (~30 contact hours) and Community Patient Care Precetorship Program (~128 contact hours). Created and coordinated hospital-wide EPIC Physician Users' Group. Redesigned and coordinated Pediatric Community Experience Rotation. Coordinated Pediatric Personal Digital Assistant (PDA) Program.
- 2004-2005 Chief Resident - Internal Medicine and Pediatrics (Med-Peds). Department of Internal Medicine and Pediatrics. The MetroHealth System. Senior Instructor. Department of Internal Medicine. Case Western Reserve University. Cleveland OH. 35% teaching (15% medical student/20% residents), 35% patient care (15% outpatient/20% inpatient) (~\$275,000 in billings), 30% administrative. Taught Physical Diagnosis I, II, and III (~100 contact hours); Pediatric Physical Diagnosis (~10 contact hours); Core Physician Development Program I and II (~40 contact hours); and Fundamentals of

- Medical Decision Making (~10 contact hours). Coordinated and led over 150 lectures, morning reports, Chairman's rounds, morbidity and mortality conferences, board review sessions for residents and teaching sessions for medical school students. Served as a night attending in the Department of Pediatrics. Coordinated city-wide Med-Peds Journal Club. Coordinated Pediatric Personal Digital Assistant (PDA) Program.
- 2003-2004 Scholars Collaboration in Teaching and Learning (Faculty). Case Western Reserve University. Cleveland OH. Sole resident selected to participate in unique small group student-faculty medical education program. Designed on-line interactive clinical case curriculum for internal medicine third-year clinical clerkships.
- October 2003 National Library of Medicine Medical Informatics Course Fellow - Marine Biological Laboratory, Woods Hole MA. One-week course sponsored by the National Library of Medicine. Certificate.
- 2000-2004 Resident Physician - Internal Medicine and Pediatrics (Med-Peds) Residency. Department of Internal Medicine and Pediatrics. Case Western Reserve University. The MetroHealth System, Cleveland OH. Responsible for care of adult and pediatric patients in outpatient, inpatient, and intensive care unit settings. Conducted research projects in cardiology, pulmonology, public health, outcomes research, quality improvement, and computers in medicine. Coordinated Pediatric Personal Digital Assistant (PDA) initiative for the Department of Pediatrics. Presented *Personal Digital Assistant Lecture Series, Introduction to Professional Societies, The 4 Ps of Professionalism, Teaching How to Teach*, and *Medical Informatics 101 for the Clinician* Grand Rounds.
- 1991-1999 Research Fellow. Department of Biomedical Engineering. Case Western Reserve University, Cleveland OH. Conducted basic science and clinical biomedical engineering research on the inverse problem in electrocardiography (noninvasive reconstruction of epicardial electrical activity from body surface potentials). Designed and developed first *in vivo* imaging system using this new diagnostic imaging modality (2 cm epicardial resolution) (patent pending). Additional responsibilities included computer system administration, supervision of graduate and undergraduate students, and Institutional Review Board (IRB) proposals for human investigation.
- 1990-1991 National Science Foundation Engineering Research Center Fellow. Department of Biomedical Engineering. Duke University, Durham NC. Conducted research on phased array, real time ultrasonic imaging systems. Determined optimal design characteristics for high-resolution ultrasonic breast imaging system.
- 1989, 1991 (Summers) Commissioned Officer Student Training and Extern Program (COSTEP) Intern. Food and Drug Administration, Rockville MD. As an Ensign in the United States Public Health Service, Commissioned Corps, responsible for coordinating and expanding ongoing projects including: 1) the compilation and analysis of complications in vascular access devices for hemodialysis, 2) the development of a dBASE III program to examine anesthesia pre-use checklist study field data, 3) the evaluation of automatic x-ray film processing systems, and 4) the determination of x-ray organ dose exposure in upper gastrointestinal fluoroscopy examinations. Project reports: *An Analysis of the Problems Associated with Devices Used for Vascular Access in Hemodialysis Patients* and *Determining X-ray Organ Dose Exposure in the Upper Gastrointestinal Fluoroscopy Examination*.
- 1987, 1988 (Summers) Research Aide. Department of Anatomy. Uniformed Services University of the Health Sciences, F. Edward Hébert School of Medicine, Bethesda MD. Designed and carried out experiments to analyze cytoskeletal proteins and cellular transformations of *Physarum polycephalum* amoebae. Developed BASIC computer program to assimilate experimental data. Project report: *Amoeboflagellate Transformations in Physarum*.

## **LICENSURE/CERTIFICATION**

- Diplomat, American Board of Preventive Medicine, Clinical Informatics (#070095)  
(Certified 01/01/2014, Certificate valid through 12/31/2024)
- Diplomat, American Board of Pediatrics (#659050)  
(Certified 01/01/2005, Certificate valid through 12/31/2017)
- Diplomat, American Board of Internal Medicine (#228954 )  
(Certified 08/24/2004, Certificate valid through 12/31/2014)
- Massachusetts Medical License (permanent) (#227185) – initially obtained 2006; inactive
- Ohio Medical License (permanent) (#35.082458) - initially obtained 2003; active
- National Provider Identifier (1083657365)
- Drug Enforcement Administration (DEA) Certificate
- Information Technology Information Library Foundation Certificate
- Basic Cardiac Life Support (BLS)
- Engineer-In-Training (EIT)
- Tympanocentesis

## **PROFESSIONAL MEMBERSHIPS**

- American Academy of Pediatrics (AAP)
- American College of Physicians (ACP)
- American Medical Informatics Association (AMIA)
- Association of Medical Directors of Information Systems (AMDIS)
- Healthcare Information and Management System Society (HIMSS)
- National Med-Peds Residents' Association (NMPRA)

## HONORS AND AWARDS

- Government Technology Research Alliance and HealthTech Research Advisory and Council Executive Technology Award (2014)
- Notable Contribution to the Clinical Research Informatics Literature in 2012 (for Kaelber DC, et al. *Patient Characteristics associated with Venous Thromboembolic Events (VTEs) - A Cohort Study using Pooled Electronic Health Record (EHR) data.* JAMIA; 19(6):965-72) (2013)
- *Crain's Cleveland Business – Who to Watch : Health Care* (2013)
- *Modern Healthcare* Top 25 Clinical Informatics (2012)
- American Academy of Pediatrics Committee of Clinical Information Technology Best Poster Award (2012)
- Association of Medical Directors of Information Systems (AMDIS) Individual Award (2011)
- Association of Medical Directors of Information Systems (AMDIS) Institutional Award (The MetroHealth System) (2011)
- Epic Corporation SAGE (2011)
- Fellow of the American College of Physicians (Invited Fellow) (2010)
- *Contemporary Pediatrics* Top 10 Best Pediatric Articles (for Kaelber DC, et al. *A Simplified Table to Identify Children and Adolescents Needing Further Evaluation of Blood Pressure.* Pediatrics. 2009;123(5):1344-1351) (2009)
- *Ladies' Home Journal* Health Breakthrough Award (for Hansen ML, et al. *JAMA*. 2007;298(8):874-9) (2008)
- Distinguished Paper Award from the American Medical Informatics Association (for Vincent A, et al. *A Patient-Centric Taxonomy for Personal Health Records (PHRs).* American Medical Informatics Association Annual Symposium Proceedings. 2008 Nov 6:763-7. PMID:18998912) (2008)
- The John J W Fangman Award (outstanding Med-Peds mentorship) (2008)
- Massachusetts Medical Society's Committee on Information Technology Student and Resident Information Technology Award (2008)
- Healthcare Information and Management Systems Society Dvora Brodie Scholarship (2008)
- American Heart Association Top Ten Research Advances in Stroke and Cardiovascular Medicine (2007)
- American Academy of Pediatrics Committee of Clinical Information Technology Best Paper Award (2007)
- Ruth L Kirschstein National Research Service Award (National Research Services Award) (2007)
- Excellence in Mentorship, Commitment and Outstanding Leadership Award (MetroHealth) (2006)
- Fellow of the American Academy of Pediatrics (2006)
- Scholars in Teaching Award (CWRU) (2005)
- Rajiv M. Reddy M.D. Academic Achievement Award (The MetroHealth System) (2004)
- Pfizer Scholar in Internal Medicine (The MetroHealth System) (2004)
- Senior Resident Teaching Award (The MetroHealth System - Department of Pediatrics) (2004)
- Pediatric Research Award (First Place) (The MetroHealth System) (2004)
- MetroHealth Research Day (First Place) (The MetroHealth System) (2004)
- Alpha Omega Alpha (AOA) (CWRU) (2004)
- Scholars in Teaching Award (CWRU) (2003)
- Special Recognition for Outstanding Service and Dedication to Residents 2001-2003 (The MetroHealth System) (2003)
- Gary Onady MD, PhD Award (outstanding Med-Peds Resident at the national or region level) (NMPRA) (2002)
- Pediatric Leadership Alliance (American Academy of Pediatrics Young Leaders) (2002)
- The Paul W Ambrose Resident Physician Leadership Symposium (2002)
- Pediatric Leadership Award (The MetroHealth System - Department of Pediatrics) (2001)
- Peter Adam Scientific Achievement Award (CWRU) (2001)
- Primary Care Prize (graduating medical school student to best exemplify Primary Care principles) (CWRU) (2000)
- Health Policy Prize (outstanding fourth year medical student Health Policy research project) (CWRU) (2000)
- Dean's Honorable Mention - Irwin H. Lepow Student Research Day (CWRU) (1998)
- United Protestant Campus Ministries (UPCaM) Hall of Fame (1998)
- Biomedical Engineering Research Day Oral Presentation Honorable Mention (second place) (CWRU) (1994)

- Lester Goodman Memorial Award (outstanding leadership in biomedical engineering and volunteer efforts, first recipient) (CWRU) (1993)
- Alpha Phi Omega (Theta Upsilon Chapter) Distinguished Service Key (CWRU) (1993)
- National Institutes of Health (NIH) Training Grant (CWRU) (1991)
- Alpha Phi Omega (Lambda Nu Chapter) Senior of the Year (Duke University) (1991)
- Order of St. Patrick (Duke School of Engineering exemplary leadership) (Duke University) (1991)
- Lars Larson Volunteer Service Award (Duke University) (1991)
- National Science Foundation/Engineering Research Center Fellowship (Duke University) (1990)
- Golden Key National Honor Society (Duke University) (1989)
- Public Health Service Citation (United States Public Health Service) (1989)
- Military Science Academic Excellence Award Level I and Level II (Duke University) (1988+1989)
- Dean's List (Duke University) (1988-1991)
- City of Rockville Scholarship (1987)

## GRANTS

### Ongoing Research Support

1. 1DP2HD084068-01 R Xu (PI) 09/15/14 - 08/31/19  
National Institutes of Health – Director’s New Innovator Award  
*Rapid reverse translational drug repositioning*  
Goal: To use electronic health record data and genomic data to identify novel uses for existing drugs.  
Role: Co-Investigator (0.05 FTE)
  
2. R40MC24943 M Wasserman (PI) 09/01/12 - 03/31/16  
Health Services Research Administration  
*Primary Care Drug Therapeutics Clinical Effectiveness Research (CER) in a Pediatric EHR Network*  
Goal: To develop an EHR-based pediatric practice research network of over 1.2 million children to study asthma, behavior issues and hypertension in children and adolescents.  
Role: Site Principal Investigator, Co-Principal Investigator (0.05 FTE)
  
3. KRR0244990A1 P Davis (PI) 09/01/07 - 05/31/17  
National Institutes of Health Clinical and Translational Science Award  
*Cleveland Translational Science Consortium (CTSC)*  
Goal: To establish a novel and academic home to train leaders for the nation’s multidisciplinary clinical and translational sciences workforce.  
Role: Site Principal Investigator, Co-Investigator, and Informatics Lead (0.05 FTE)
  
4. R43GM112523-01A1 D Fram (PI) 10/01/14 - 09/30/16  
Small Business Innovation Research  
*Transitioning Electronic Support for Public Health (ESP) from Lab to Marketplace*  
Goal: To enable the open-source Electronic Support for Public Health software used for automated reporting rich information on cases of notifiable diseases and other conditions of public health interest from data stored in electronic medical records to be widely disseminated.  
Role: Key Personnel (0.05 FTE)
  
5. No grant number T Windhusen (PI) 09/01/14 - 08/31/16  
National Institute on Drug Abuse  
*Ohio Valley Node Clinical Trials Network*  
Goal: To develop electronic health records as a tool for drug abuse research  
Role: Senior Investigator (0.05 FTE)

## Completed Research Support

1. 8231691 S Kane (PI) 09/01/13 - 08/31/15  
Pfizer Corporation  
*Utilization of the electronic medical record to evaluate vaginal atrophy in a geriatric primary care population; measuring impact of screening and treatment on quality of life and patient satisfaction*  
Goal: To use electronic health record and electronic personal health record tools (through Epic and Epic's MyChart) to screen and evaluate management of vaginal atrophy in geriatric primary care patients.  
Role: Principal Investigator (0.05 FTE)
2. AHRQ HS020919 J Sudano (PI) 09/01/11 - 07/31/15  
Agency for Healthcare Research and Quality  
*Open Source, Public Domain, Health Risk Assessment for Use in Primary Care*  
Goal: To develop an open source, web-based and software as a service health risk assessment tool.  
Role: Consultant (0.025 FTE)
3. 200-2014-M-60490 R Zambarano (PI) 09/01/14 - 03/31/15  
Centers for Disease Control and Prevention  
*Chlamydia e-measure*  
Goal: To use standard electronic health records to design and implement a Chlamydia e-measure.  
Role: Key Personnel (0.05 FTE)
4. No grant number D Fram (PI) 09/01/14 - 08/30/15  
Department of Defense  
*Cohort Builder*  
Goal: To build a tool to search electronic health record data to find cohorts of patients of clinical interest (for example, patients on a medication that is being recalled or diabetic patients with significantly abnormal hemoglobin A1C).  
Role: Consultant (0.01 FTE)
5. Robert Wood Johnson Foundation 70237 R Cebul (PI) 07/01/12 - 06/30/14  
*Red Carpet Care for Patients in Greatest Need*  
Goal: Lower the utilization and improve the quality of care of high resource utilizers in the MetroHealth System.  
Role: Co-Investigator (0.05 FTE)
6. No grant number D Kaelber (PI) 02/15/12 - 02/31/13  
Society of Adolescent Health and Medicine  
*Using Electronic Health Record Technologies to improve Adolescent Vaccination*  
Goal: To develop electronic health record based processes to alert providers and patients regarding all adolescent vaccine opportunities.  
Role: Principal Investigator (0.05 FTE) (\$175,000)
7. No grant number D Kaelber (PI) 02/01/13 - 09/15/13  
JBS International  
*Using Electronic Health Record Technologies to Improve Adult Vaccinations*  
Goal: To develop electronic health record based processes to alert providers and adult patients regarding influenza, pneumococcus, diphtheria, tetanus, acellular pertussis, human papilloma virus, and herpes zoster vaccine opportunities.  
Role: Principal Investigator (0.05 FTE) (\$50,000)
8. CDC 2011-N-13526 M Klompas (PI) 09/01/11 - 08/31/13  
Center for Disease Control and Prevention (CDC)  
*Electronic Support for Public Health - Vaccine Adverse Events Reporting System*  
Goal: To develop a computer algorithm to detect vaccine adverse events and report them to the CDC.

Role: Co-Principal Investigator (0.10 FTE) (\$250,000)

9. Robert Wood Johnson Foundation 68760 R Cebul (PI) 05/01/11 - 04/30/13  
Aligning Forces for Quality  
*Better Health Greater Cleveland*

Goal: To maintain and expand a regional healthcare quality improvement organization in northeast Ohio.

Role: Co-Investigator (0.05 FTE)

10. No grant number D Kaelber (PI) 03/01/12 - 12/31/12  
Case Clinical and Translational Science Collaborative  
*Using Explorys to Track Case CTSC-wide Obesity Rates*

Goal: To develop the search capability in Explorys ([www.explorys.com](http://www.explorys.com)) to search a trusted network of healthcare institutions (Cleveland Clinic, The MetroHealth System, and University Hospitals of Cleveland) and use that capability to study population level obesity rates in children and adults among patients seen at these 3 institutions.

Role: Principal Investigator (0.05 FTE) (\$25,000)

11. No grant number D Kaelber (PI) 01/01/11 - 12/31/11  
Kaiser Health Plan of Ohio  
*Diagnosing and Treating Hypertension in Children and Adolescents*

Goal: To develop and implement advanced clinical decision support EHR tools for the diagnosis and management of pediatric hypertension.

Role: Principal Investigator (0.10 FTE) (\$50,000)

12. No grant number R Cebul (PI) 11/01/10 - 06/30/11  
Ohio Coverage and Quality Council  
*Quality Council Multi-Payer Enhanced Primary Care Home Initiative*

Goal: To support the development a PCMH and QI 'toolkit' that will help primary care practices build decision support and population management tools and integrate behavioral health measures in their EHRs.

Role: Co-Investigator (0.05 FTE) (\$200,000)

13. No grant number M Klompas (PI) 05/01/09 - 06/30/10  
Centers for Disease Control and Prevention  
*Electronic Support for Public Health (ESP)*

Goal: To develop computer algorithms to detect diseases that require public health report and automatically report disease to the Ohio Department of Health.

Role: Co-Principal Investigator (0.10 FTE) (\$112,000)

14. No grant number D Kaelber (PI) 07/01/08 - 06/30/12  
Epic Corporation  
*Epic Clinical Informatics Fellowship*

Goal: To develop first in the United States Epic-based clinical informatics fellowship.

Role: Principle Investigator (0.05 FTE) (\$120,000)

15. No grant number VV Kudriavtsev (PI) 01/01/07 - 12/31/07  
New Hampshire Industrial Research Council  
*Evaluation of Murmurs in Children using System of Quantitative Scores and Heart Energy Signature Method.*

Goal: The evaluate heart energy signatures for cardiac murmur detection in children.

Role: Co-Investigator (0.05 FTE) (\$80,000)

16. No grant number D Kaelber (PI) 01/01/07 - 12/31/07  
American Academy of Pediatrics (top rated proposal submitted nationally)  
*Evaluation of Murmurs in Children using Heart Energy Signatures (HES)*

Goal: The evaluate heart energy signatures for cardiac murmur detection in children.

Role: Sponsor/Mentor (0.05 FTE) (\$2,000)

17. No grant number D Kaelber (PI) 07/01/04 - 06/30/05  
American Academy of Pediatrics – Bright Futures  
*Training Intervention with Office Staff to Improve Preventative and Developmental Services in Practice*  
Goal: To assist in the implementation of new *Bright Futures* pediatric primary care guidelines.  
Role: Site Coordinator (0.05 FTE) (\$2,000)

18. No grant number D Kaelber (PI) 01/01/02 - 12/31/02  
American Academy of Pediatrics – Community Access to Child Health (CATCH) Program  
*HeadSmart (Model mandatory helmet legislation and certificate program for children and adults).*  
Goal: To publicize age independent bicycle helmet legislation.  
Role: Principal Investigator (0.05 FTE) (\$500)  
*In 2003 this project was selected as one of 4 outstanding CATCH model projects throughout the country and presented as a model project to the United States Department of Health and Human Services.*

## INVITED PRESENTATIONS/GRAND ROUNDS

(Names of trainees are underlined>

1. **DC Kaelber.** *Using Electronic Health Record for Research: Examples and Generalizable Principles.* National Drug Abuse Treatment Clinical Trials Network. Health Care Data Science Meeting. National Institute on Drug Abuse. Rockville MD. August 2015. (Oral Presentation)
2. **DC Kaelber.** *Clinical Informatics – Exploiting Health Information Technology to Improve Health.* University of Chicago. May 2015. (Seminar)
3. **DC Kaelber.** *Using BIG DATA from Electronic Health Records (EHRs) for Clinical Discovery.* Case Western Reserve University. January 2015. (Seminar)
4. **DC Kaelber.** *The Role of Informatics: Scope, Strategy, and Tactics.* University of Minnesota. Minneapolis/St. Paul. January 2015. (Oral Presentation)
5. **DC Kaelber.** *Helping the ACA's Newly Converged Patients Navigate and Access the Health Care System.* Association of American Medical Colleges Annual Meeting. Chicago IL. November 2014. (Invited Panelist)
6. **DC Kaelber.** *Rapid-Fire Presentation: The Value of Health Information Exchange.* Innovations Summit – Social Networks and Population Health. America's Essential Hospitals. Washington DC. October 2014. (Invited Panelist)
7. **DC Kaelber.** *Guideline Compliance in Pediatric Obesity: Where Are We Now?* 9<sup>th</sup> Annual Obesity Summit. The Cleveland Clinic Foundation. Cleveland OH. October 2014. (Lecture)
8. **DC Kaelber.** *Pediatric Obesity Opportunity and Impact – Studies from the 10 - Year Lifestyles Program.* 9<sup>th</sup> Annual Obesity Summit. The Cleveland Clinic Foundation. Cleveland OH. October 2014. (Workshop)
9. **DC Kaelber.** *Using Big Data from Electronic Health Records for Clinical Discovery.* Chautauqua Institution. Chautauqua NY. August 2014. (Lecture) (YouTube Video - [http://www.youtube.com/watch?feature=player\\_detailpage&v=do1LX3b4X2A](http://www.youtube.com/watch?feature=player_detailpage&v=do1LX3b4X2A))
10. **DC Kaelber.** *Clinical Research Informatics: What we have done and what you can do at MetroHealth.* Department of Pediatrics. The MetroHealth System. Cleveland OH. May 2014. (Grand Rounds)
11. **DC Kaelber.** *Beyond Stage 1 Meaningful Use.* Healthcare Information and Management Systems Society (HIMSS) Regional Event. Cleveland OH. December 2013. (Keynote Speaker)
12. N Theera-Ampornpant, K Zheng, Y Gong, **DC Kaelber**, R Zhang, S Kaushik, R Shaw, T Kelley and S Khairat. *Preparing for Informatics Careers in the Age of Meaningful Use.* American Medical Informatics Association Annual Symposium. Washington DC. November 2013. (Panel Presentation)
13. **DC Kaelber.** *Developing a Clinical Research Informatics Program – Successes and Lessons Learned.* Columbus OH. October 2013. (Oral Presentation)
14. **DC Kaelber.** *The Use and Value of Health Information Exchange.* Epic Users' Group Meeting. Verona WI. September 2013. (Oral Presentation)
15. B Schwartz and **DC Kaelber.** *Data to Dollars: Completing Referrals.* Epic Users' Group Meeting. Verona WI. September 2013. (Oral Presentation)

16. J Siff, M Kaufmann, and **DC Kaelber**. *Organizing Informatics Teams: Beyond Implementation*. Epic Users' Group Meeting. Verona WI. September 2013. (Oral Presentation) (designated an "Epic Classics" by Epic customers – less than 5% of all talks are designated Epic Classics)
17. D Bar-Shain and **DC Kaelber**. *Communicating with Patients Outside of Visits*. Epic Users' Group Meeting. Verona WI. September 2013. (Oral Presentation)
18. **DC Kaelber**. *Beginning to Realize HIE for Public Health – Disease Reporting, Vaccine Adverse Events, and Obesity*. Ohio Health Data Symposium. Case Western Reserve University. Cleveland OH. June 2013. (Oral Presentation)
19. **D Kaelber**, K Palcisco, and C Williams. *Improving Depression Screening and Management*. Epic Physician Advisory Council. Verona WI. April 2013. (Oral Presentation)
20. **D Kaelber**, M Klompas, and M Baker. *Automated Vaccine Adverse Detection System*. Epic Research Advisory Council. Verona WI. April 2013. (Oral Presentation)
21. **DC Kaelber**. *EMR Use for Research and Public Health*. Balancing Privacy, Autonomy, Scientific Progress: Patients' Rights in the Use of Electronic Medical Records for Non-Treatment Purposes. Case Western Reserve University. Cleveland OH. April 2013. (Oral Presentation)
22. **DC Kaelber** and Gladys Haddad. *Technology, Medicine, and Public Health*. Case Western Reserve University. Cleveland OH. January 2013. (CWRU Regionally Speaking Radio Interview) (<http://blog.case.edu/wrss/2013/01/21/kaelber.mp3>)
23. **DC Kaelber**. *Using Electronic Health Record Data for Clinical Effectiveness Research*. Case Western Reserve University Symposium. Cleveland OH. December 2012. (Oral Presentation)
24. D Bar-Shain, C Williams, and **DC Kaelber**. *We Will, We Will, Vaccinate You*. Epic Users' Group Meeting. Verona WI. September 2012. (Oral Presentation)
25. D Bar-Shain, K Palcisco, and **DC Kaelber**. *A Suite of Pediatric Hypertension BPAs*. Epic Users' Group Meeting. Verona WI. September 2012. (Oral Presentation)
26. **DC Kaelber**. *Harnessing Digital Data (Chronic Disease Panel)*. 1st Ohio Health Data Statewide Symposium ~ Data Stewardship. Cleveland OH. August 2012. (Oral Presentation)
27. D Bar-shain, K Palcisco, and **DC Kaelber**. *Stepping Stone Best Practice Advisories for Pediatric Hypertension*. Epic Physician Advisory Council, Verona WI. April 2012. (Oral Presentation)
28. **D Kaelber**. *Organizing Informatics Teams – Beyond Implementation (MetroHealth)*. Epic Physician Advisory Council. Verona WI. April 2012. (Panel Presentation)
29. **D Kaelber**. *Using Electronic Health Records for "Retrospective" Research – Three Case Studies*. Vanderbilt University. Nashville TN. March 2012. (Grand Rounds)
30. P Sockolow, P Dalrymple, D Fridsma, **DC Kaelber**, and C Underwood. *Outlook for Student and Trainee Informaticians in the Era of HITECH*. American Medical Informatics Association Annual Symposium. November 2011. (Panel Presentation)
31. **DC Kaelber**. *Electronic Support for Public Health – Public Health Surveillance System (ESP)*. Cleveland City-wide Informatics Grand Round. Cleveland OH. August 2011. (Grand Rounds)

32. **D Kaelber**. *What Can You Do with a Database – Electronic Medical Records in Research*. Pediatric Academic Societies Meeting. Denver CO. May 2011. (Oral Presentation)
33. P Greco and **D Kaelber**. *Incidental-o-Matic: Handling Incidental Radiology Findings*. Epic Physician Advisory Council. Verona WI. April 2011. (Oral Presentation)
34. **D Kaelber**, P Greco, and D Zieminski. *Using Epic to Combat Multi-Drug Resistant Organisms*. Epic Physician Advisory Council. Verona WI. April 2011. (Oral Presentation)
35. **D Kaelber**. *Using Epic to Study Disease Progression*. Epic Research Advisory Council. Verona WI. April 2011. (Oral Presentation)
36. K Larsen and **D Kaelber**. *Expert Panel II: Optimization Essential*. Epic Academic Advisory Council. Verona WI. April 2011. (Panel Presentation)
37. **DC Kaelber**. *Using Epic for “Retrospective Research at MetroHealth – A Series of Case Studies of Pediatric Hypertension and Obesity*. Cleveland City-wide Informatics Grand Round. Cleveland OH. April 2011. (Grand Rounds)
38. **D Kaelber**. *Children with Adult Diseases*. Prevention Research Center for Healthy Neighborhoods Seminar. Cleveland OH. December 2010. (Oral Presentation)
39. J Siff, K Gleine, and **D Kaelber**. *Physician Champion Program*. Epic Users’ Group Meeting. Verona WI. September 2010. (Oral Presentation)
40. **D Kaelber**. *Infection Control and Computer Hardware*. Epic Users’ Group Meeting. Verona WI. September 2010. (Oral Presentation)
41. **D Kaelber**, J McNally, J Kimerle, and J Bonello. *From the Director’s Chair: Governance of Clinical Systems. Executive Forum*. Epic Users’ Group Meeting. Verona WI. September 2010. (Panel Presentation)
42. S Hoffman, **DC Kaelber**, and A Podgurski. *Health Information Law and Technology. Using Law, Policy, and Research to Improve the Public’s Health: A National Conference*. September Atlanta GA. September 2010. (Oral Presentation)
43. **DC Kaelber**. *Epic for Research*. Department of Medicine. Huron Road Hospital. Cleveland OH. June 2010. (Oral Presentation)
44. **DC Kaelber**, T Swales, and J Trinkl. *An Epic Clinical Informatics Fellowship*. Epic Physician Advisory Council. Verona WI. April 2010. (Oral Presentation)
45. **DC Kaelber** and M Klompas. *Using Epic for Public Health Reporting 2*. Epic Research Advisory Council. Verona WI. April 2010. (Oral Presentation)
46. **DC Kaelber** and C Sharp. *Chart Etiquette*. Epic Academic Advisory Council. Verona WI. April 2010. (Oral Presentation)
47. P Marshall and **DC Kaelber**. *The Personal Health Record – Driving Stakeholder Value*. American Health Insurance Plans. Webinar. November 2009. (Oral Presentation)
48. **DC Kaelber**, C Craven, C Cuskak, S Haque, D Kendrick, R Kennedy, and S Thomas. *Careers in Medical Informatics: Perspectives from Recent Job Searches*. American Medical Informatics Association Annual Symposium. November 2009. (Panel Presentation)

49. **DC Kaelber.** *Research in the Med-Peds Office Setting.* American Academy of Pediatrics National Conference and Exhibition. Washington DC. October 2009. (Oral Presentation)
50. **DC Kaelber.** *Diagnostic Trends in Pediatric Weight Problems? (Using Epic to conduct population based research).* Epic Research Advisory Council meeting. Verona WI. April 2009. (Oral Presentation)
51. **DC Kaelber.** *When is Family History Documented? (Using Epic to understand practice patterns).* Epic Physician Advisory Committee. Verona WI. April 2009. (Oral Presentation)
52. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Department of Pediatrics. The MetroHealth System. Cleveland OH. February 2009. (Grand Rounds)
53. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents – Using Epic to Discover Important Clinical Research Findings.* Epic Research Advisory Council. Verona WI. June 2008. (Oral Presentation)
54. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Brown University. Providence RI. April 2008. (Grand Rounds)
55. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Massachusetts General Hospital. Boston MA. April 2008. (Grand Rounds)
56. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Children’s Hospital Boston. Boston MA. January 2008. (Grand Rounds)
57. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Duke University. Durham NC. January 2008. (Grand Rounds)
58. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Harvard Internal Medicine and Pediatrics Program. Boston MA. January 2008. (Grand Rounds)
59. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* National Med-Peds Residents’ Association Annual Meeting. San Francisco CA. October 2007. (Oral Presentation)
60. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents – Using Epic to Discover Important Clinical Research Findings.* University of Iowa. Iowa City IA. October 2008. (Grand Rounds)
61. **DC Kaelber.** *Underdiagnosis of Hypertension in Children and Adolescents.* Vanderbilt University. Nashville TA. October 2007. (Grand Rounds)
62. **DC Kaelber, S Snow, E Seeholzer.** *The Biggest Generation - Obesity through the ages.* Department of Internal Medicine and Pediatrics. The MetroHealth System. Cleveland OH. June 2006. (Grand Rounds)
63. **DC Kaelber.** *Pediatric Obesity.* Department of Pediatrics. The MetroHealth System. Cleveland OH. April 2005. (Grand Rounds)
